Feature Spotlight/Focus

Comfortable, quiet typing

You'll enjoy a comfortable and quiet typing experience thanks to the low-profile keys that barely make a sound and standard layout with full-size F-keys and number pad.

Sleek yet sturdy, spill-resistant design*

With its thin profile that keeps your hands in a more neutral position, spill-resistant design,* keys that are designed to be durable, and sturdy, adjustable tilt legs, this sleek keyboard not only looks and feels good—it's built to last.

High-definition optical mouse

The mouse puts comfort and control in your hands with high-definition optical tracking that's smooth and accurate, and a comfortable, ambidextrous shape that feels good hour after hour.

Plug-and-play USB connections

Setup is simple—you just plug your keyboard and mouse into USB ports on your desktop, laptop, or netbook computer and start using them right out of the box.
