

DashDrive Durable HD650

The HD650 portable hard drive combines state-of-the-art materials with precise engineering to create an external storage solution that features improved ruggedness and data safety. The drive utilizes an ultra-fast USB 3.0 interface for improved transfer speed, and an azure LED indicates power and transfer status. Its flowing lines and striking colors make it a great looking storage option for valuable files, especially for people with active and outdoor lifestyles.

Features

- Simple and modern appearance
- Triple-layer impact resistance
- LED Indicator shows transfer status
- SuperSpeed USB 3.0 interface
- Scratch resistant surface
